A TRIBUTE TO PORTUGUESE FLAVORS

At Sublime Comporta we are passionate about gastronomy. Our team is selected and trained to cultivate this passion.

Among the flavours and aromas of the land and our signature Portuguese gastronomy, Chef Tiago Santos, our executive Chef, will challenge the most skeptical to a sensory experience that we're sure will impress. We chose to go back to the roots and the flavours of our region - the Alentejo.

The priority is to ensure that the richness of each ingredient is maintained in an authentic and genuine manner, being careful to use only sustainable fish, meat from pasture-fed cattle, herbs from our organic garden and organic produce, whenever possible.

The menu is based on local traditions and takes into account seasonality. The inspiration comes largely from our Organic Garden.

If at any point we can help or do something different to meet your expectations, please let us know, we'll always be available!
