Our olive oil

If a good wine is essential to accompany a Portuguese meal, the same can be said of a great olive oil, in fact it's an integral part of the typical Portuguese cuisine.

Conscious of its importance, we felt the need to provoke the palate of those who visit us by developing our own high quality olive oil, Sublime Vintage 2017. Both intense and complex, one senses the aromas of tomato leaf, fresh herbs and green apple in the nose, on the palate, it is slightly sweet, with a subtle spice which adds complexity and persistence.

Our Wines

There are 6 Sublime wines that can be enjoyed at the hotel (in the restaurants or in the comfort of your villa) or back at home (shipping within Europe can be arranged). Red, White, Rose, Sparkling and of course moscatel. There is something for all tastes. The Sublime wines produced locally are wines of Atlantic influence, both rustic and strong, waiting to accompany a good meal.
